

Start designing for our new 3D printer!

Parents/Guardians we would like for our students to begin learning how to design products to print on our new 3D printer! We need your permission for the students to create an account with their teacher in Tinkercad. To

learn more about this site go to

<https://www.tinkercad.com/>

Please sign below if you give permission for your child to sign up on Tinkercad using his/her school email account.

Student Name: _____

Teacher: _____

Parent/Guardian Signature: _____
